University Housing offers a wide variety of options for UO students.

With six residence hall complexes and three apartment/home communities, over 4,300 students live in university-related housing. University Housing provides unique opportunities for students to participate in close-knit communities and become engaged with the broader campus experience.

Family Housing and University Apartments offer an environment suitable for students with children, graduate students, and undergraduate students at least 21 years of age.

Fall 2006 Occupancy: 922
Units with Graduates: 73%
Units with Undergrads: 27%

University Housing | Health Center

The University Health Center provides a broad range of health care services to UO students at its convenient campus location on the corner of 13th and Agate. This year construction will be completed on our new and remodeled Health Center. The Health Center offers convenient and affordable primary care with specialty care available in gynecology, psychiatry, and allergy. The Health Center also offers preventive health, dental, physical therapy/sports medicine, laboratory, pharmacy, x-ray, and health promotion services.

Each year:

♦ Over 60,000 students visit the Health Center.

♦ Almost 60% of all UO students come to the Health Center at least once.

♦ There are 40,000 student visits to the physicians, nurse practitioners, and nurses in our primary care and specialty clinics.
