Measures of Success

* **Satisfaction** — Graduates give high ratings to the education they received at UO. Thirty percent of the graduates rated the education "excellent" and 56 percent "very good."

* **Graduate Success** — Ninety percent of graduates are employed or continuing their education.

* **Reaching Higher** — Among those who enrolled in an educational program, 82 percent are attending a graduate or a professional school.

* **State Investment** — Most graduates remain in Oregon, with 67 percent reporting working in the state. Nine percent are working in California, 6 percent in Washington, and 17 percent elsewhere in the U.S. A very small fraction work outside the U.S.
