Board of Directors - The Board is responsible for making general policy decisions and long-range plans for the operation of the EMU. Twelve students, three faculty members, and one EMU staff member comprise the Board.

The University of Oregon Counseling and Testing Center (UCTC) provides comprehensive mental health and testing services to UO students. Counseling services are provided as part of the health fee, so there is no additional cost to students. Some testing is offered on a fee per test basis. The UCTC strives to be a multicultural organization committed to student academic success.
