Board of Directors - The Board is responsible for making general policy decisions and long-range plans for the operation of the EMU. Twelve students, three faculty members, and one EMU staff member comprise the Board.

The University of Oregon Counseling and Testing Center (UCTC) provides comprehensive mental health and testing services to UO students. Our primary mission is to be partners in facilitating students' academic and personal success. We strive to be a culturally competent organization and to support the entire university in pursuit of this goal.
