Graduate Rates of UO to OUS Defined Peers
First-time Freshmen¹, Cohort Year 2005

1. First-time freshmen are defined as students entering from High School or with GED, taking 12 or more credit hours for their current admission term. Cohort groups are based on fall term enrollment only. The retention rate is the percentage of the cohort group that enrolled at the beginning of the second year of study. Graduation rate is the percentage of the cohort group that graduated, with the graduation rate being a cumulative percentage.
