2nd- through 8th-Year Retention and Graduation -- Under-Represented, Majority, and All Students of Color First-Time, Full-Time Freshmen* Cohorts 2003 through 2013

NEW Race/Ethnicity Categories -- Federal changes in the method for defining the Hispanic category and the resulting subsequent changes to other reporting categories were mandated as of the 2010 cohort; earlier cohorts were recoded to match the NEW race/ethnicity categories to the extent possible. Because of this alignment, years prior to 2010 may not match other reporting that does not make the same adjustment.

*Freshmen from high school enrolled in at least 12 credit hours at the end of the 4th week of their first Fall term.

Note: Yearly rates can change from previous years' reports due to data corrections and the impact of small Ns.

2nd- through 8th-Year Retention and Graduation -- Under-Represented, Majority, and All Students of Color First-Time, Full-Time Freshmen* Cohorts 2003 through 2013

NEW Race/Ethnicity Categories -- Federal changes in the method for defining the Hispanic category and the resulting subsequent changes to other reporting categories were mandated as of the 2010 cohort; earlier cohorts were recoded to match the NEW race/ethnicity categories to the extent possible. Because of this alignment, years prior to 2010 may not match other reporting that does not make the same adjustment.

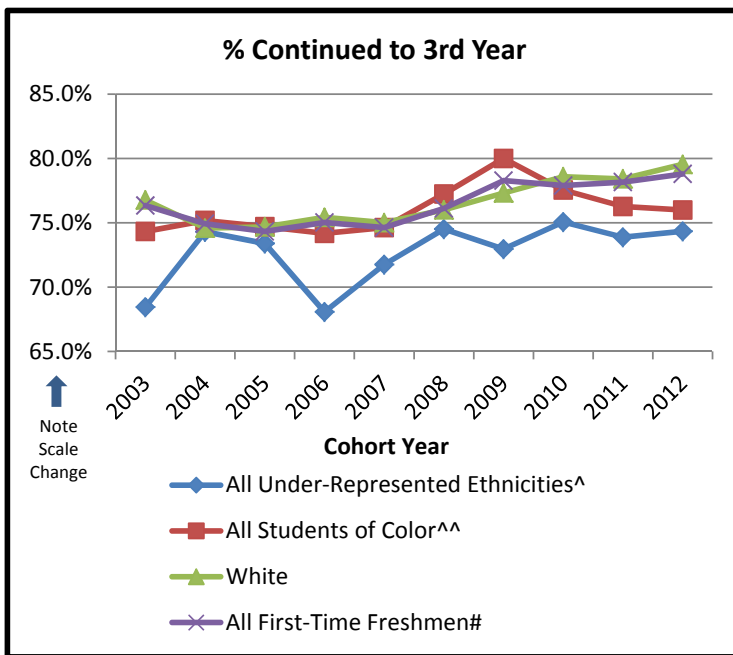

*Freshmen from high school enrolled in at least 12 credit hours at the end of the 4th week of their first Fall term.

Note: Yearly rates can change from previous years' reports due to data corrections and the impact of small Ns.
