

APPENDIX I

ALL AAU PUBLIC PEERS 2019-20 Comparison of AAUDE Faculty Salaries Included Disciplines & Sub-Disciplines

AAU data were selected based on similarity to disciplines and sub-disciplines of tenure related faculty within UO departments. This report reflects sub-disciplines with matches within the 2019-20 AAU public institutions' submissions; in many cases there were sub-disciplines that were searched for but not found (e.g., several sub-disciplines within Psychology were in the initial matching attempt, but only Psychology, General was found in the AAU public institutions' data). Results may differ slightly from year to year because of differing mixes of institutions and/or AAU institutions' decisions regarding discipline codes associated with tenure-related faculty.
