

# Retention and Graduation for First-time Full-time Freshmen\* (FTF) by School/College

## HOW TO READ & INTERPRET THIS REPORT

Outside School/College  
 In School/College

**New FTF in** This table summarizes how many of the students in the first-time, full-time freshman cohort had a declared major in the selected School/College in the term in which they matriculated

Each box provides retention/graduation for various populations, including gender, race/ethnicity (grouped), residency, Pell eligible and first generation status.

### Retention/Graduation (all cohorts pooled)

This table reports the pooled retention or graduation rate for:

- students with a first-term major in the School/College, retained or graduated with a current major **In School/College**
- students with a first-term major in the School/College, retained or graduated **In University** regardless of current major

- the retention/graduation rate for the **Institution Overall** (for comparison)

### Percent of FTF by Characteristic (all cohorts pooled)

#### School/College and UO Overall

This table provides information on how the population is represented among

- FTF **In School/College** and
- FTF in the **Institution Overall** (for comparison)

### Questions to Ask

- is there a trend in the retention/graduation rate for each population?
- does the trend differ for the two populations?
- do outcomes for the entering cohort of the School/College differ from institutional outcomes overall?
- do the demographics of the entering cohort of the School/College differ substantially from the cohort overall?

### Cohorts Entering Fall to Fall retained/graduated but no longer in School/College

This table provides information on the disposition of students who remain at the university but are no longer in the School/College.

### Definitions

**First-time Full-time Freshmen (FTF)** freshmen from high school enrolled in at least 12 credit hours at the end of the 4th week of their first Fall term. **Other than "Institution Overall," all data are based on students with a declared major within the School/College in their first term.**

**Retention** students enrolled as of first day of Fall term, as measured at fourth-week census.

**Graduation** students awarded a degree before or during summer term of the specified year.

**Gender** and **Residency** as reported in first enrolled term on census date.
