

Retention and Graduation for First-time Full-time Students* (FTF) by School/College

HOW TO READ & INTERPRET THIS REPORT

Outside School/College
In School/College

New FTF in This table summarizes how many of the students in the first-time, full-time cohort had a declared major in the selected School/College in the term in which they matriculated

Each box provides retention/graduation for various populations, including gender, race/ethnicity (grouped), residency, Pell eligible and first generation status.

Retention/Graduation (all cohorts pooled)

This table reports the pooled retention or graduation rate for:

- students with a first-term major in the School/College, retained or graduated with a current major **In School/College**
- students with a first-term major in the School/College, retained or graduated **In University** regardless of current major
- the retention/graduation rate for the **Institution Overall** (for comparison)

Percent of FTF by Characteristic (all cohorts pooled)

School/College and UO Overall

This table provides information on how the population is represented among

- FTF **In School/College** and
- FTF in the **Institution Overall** (for comparison)

Questions to Ask

- is there a trend in the retention/graduation rate for each population?
- does the trend differ for the two populations?
- do outcomes for the entering cohort of the School/College differ from institutional outcomes overall?
- do the demographics of the entering cohort of the School/College differ substantially from the cohort overall?

Cohorts Entering Fall to Fall retained/graduated but no longer in School/College

This table provides information on the disposition of students who remain at the university but are no longer in the School/College.

Definitions

First-time Full-time (FTF) Students are those from high school enrolled in at least 12 credit hours at the end of the 4th week of their first Fall term. **Other than "Institution Overall," all data are based on students with a declared major within the School/College in their first term.**

Retention students enrolled as of first day of Fall term, as measured at fourth-week census.

Graduation students awarded a degree before or during summer term of the specified year.

Gender and **Residency** as reported in first enrolled term on census date.

Students of Color includes Asian, Black/African American, Hispanic/Latino, Native American/Alaska Native, Native Hawaiian/Pacific Islander, and Two or More Races. As reported in first enrolled term on census date; however, students enrolling prior to federal changes in race/ethnicity reporting (Fall 2010) have been mapped to new categories.

Pell Eligible students offered Pell Grant in first year.

First Generation Status students self-reporting as parents' highest level of education being less than a bachelor's degree. *Data collection began Fall 2009.*
