

# Retention and Graduation for First-time Full-time Freshmen\* (FTF) by School/College

## HOW TO READ & INTERPRET THIS REPORT

**New FTF in** This table summarizes how many of the students in the first-time, full-time freshman cohort had a declared major in the selected School/College in the term in which they matriculated

Each box provides retention/graduation for various populations, including gender, race/ethnicity (grouped), residency, Pell eligible and first generation status.

**Retention/Graduation (all cohorts pooled)**  
This table reports the pooled retention or graduation rate for:  
- students with a first-term major in the School/College, retained or graduated with a current major **In School/College**  
- students with a first-term major in the School/College, retained or graduated **In University** regardless of current major  
- the retention/graduation rate for the **Institution Overall** (for comparison)

**Percent of FTF by Characteristic (all cohorts pooled)**  
**School/College and UO Overall**  
This table provides information on how the population is represented among  
- FTF **In School/College** and  
- FTF in the **Institution Overall** (for comparison)

**Questions to Ask**  
- is there a trend in the retention/graduation rate for each population?  
- does the trend differ for the two populations?  
- do outcomes for the entering cohort of the School/College differ from institutional outcomes overall?  
- do the demographics of the entering cohort of the School/College differ substantially from the cohort overall?

**Cohorts Entering Fall to Fall**  
**retained/graduated but no longer in School/College**

This table provides information on the disposition of students who remain at the university but are no longer in the School/College.

**Definitions**

**First-time Full-time Freshmen (FTF)** freshmen from high school enrolled in at least 12 credit hours at the end of the 4th week of their first Fall term. **Other than "Institution Overall," all data are based on students with a declared major within the School/College in their first term.**

**Retention** students enrolled as of first day of Fall term, as measured at fourth-week census.

**Graduation** students awarded a degree before or during summer term of the specified year.

**Gender** and **Residency** as reported in first enrolled term on census date.

**Students of Color** includes Asian, Black/African American, Hispanic/Latino, Native American/Alaska Native, Native Hawaiian/Pacific Islander, and Two or More Races. As reported in first enrolled term on census date; however, students enrolling prior to federal changes in race/ethnicity reporting (Fall 2010) have been mapped to new categories.

**Pell Eligible** students offered Pell Grant in first year.

**First Generation Status** students self-reporting as parents' highest level of education being less than a bachelor's degree. *Data collection began Fall 2009.*

\*Freshmen from high school enrolled in at least 12 credit hours at the end of the 4th week of their first Fall term.  
Other than "Institution Overall," all data are based on students with a declared major within CAS in their first term.  
Graduating in School/College: students awarded a degree *with a major in CAS*  
Graduating in Institution: students awarded a degree by the university, *regardless of major*  
Reporting may be suppressed for small populations
